## **Construction to begin June 1 on ND 20 at Free Peoples Lake near Warwick**

A construction project will begin Friday, June 1, on ND Hwy 20 at Free Peoples Lake near Warwick. During the project, the grade on the roadway will be raised to help alleviate water issues. Motorists should expect short delays when traveling through the work zone.

During Construction:

- Speed will be reduced to 25 mph for approximately 1.2 miles in work zone
- A width restriction of 12 ft. will be in place
- A pilot car will be guide motorists through the work zone
- Short delays of 15 minutes can be expected
- Gravel and oil may be present on the roadway.

The project is expected to be complete at the end of July.
